About Hidayath Group

Complete solutions in stainless steel and allied metals since 1976

Founded in 1976 by Hidayathullah Abbas, Hidayath Group has grown from a modest trading operation in Abu Dhabi into a globally recognized enterprise delivering world class stainless steel and allied metal products, systems and solutions for the Architectural, Industrial, and Engineering sectors.

Headquartered in Dubai, U.A.E, Hidayath Group today operates across more than twenty countries on five continents, guided by a clear mission: to achieve global leadership as a complete solution provider in stainless steel and allied metals.

Over five decades, Hidayath Group has built a strong foundation rooted in manufacturing excellence, material supply, and specialized services — strengthened by continuous investment in technology, workforce training and a steady expansion into new markets.
